It's very easy to access the Kerby Centre. Enter the parking lot from 11th St SW, just opposite the Science Centre. Park anywhere – it's free!
Because of LRT construction A special wooden walk directs you to the main entrance. There's an elevator, or you can walk up the stairs to the second floor.

Bear left. The bridge room is located on the SE corner of the building.

When you leave, you can get back to Crowchild by turning left on 6th Street.
